Week	Subjects	Topic	Content / Focus (CAPS)	Hours	Date Completed	Assessment Activity	Comments / Reflections
1	Geography	Climate Factors	Latitude, altitude, distance from sea, ocean currents, mountains (relief)	3			
2	History	Mineral Revolution	Diamonds: increasing British control, labour and land dispossession	3			
3	Geography	SA Climate	How latitude, altitude, distance from sea, currents and mountains affect temperature and rainfall; centres: Cape Town, Durban, Johannesburg, Upington, etc.	2			
4	History	Gold Mining	Witwatersrand discovery, mining methods, Randlords, Chamber of Mines, migrant labour	2			
5	Geography	Climate Around the World	Weather vs climate, elements of climate: temperature, humidity, precipitation, winds; climate graphs	2			
6	History	Gold Mining Social Impact	Erosion of family life, women in reserves, skilled/ unskilled white labour, anti-Indian laws, labour resistance	2			
7	Geography	Climate Regions	Tropical, subtropical, temperate, desert, semi-desert, continental, polar, Mediterranean, tundra, high mountain; mapping and statistics	2			
8	History	Racial Segregation Foundations	Shifting balance of power, African Political Organisation, SANNC/ANC formation, Satyagraha, Land Act 1913	2			
9	Geography	Term Revision/ Assessment	Consolidation, informal assessment and apply climate knowledge to the local area	2			
10 - 11	History	Mid-Year Exam	Formal exam covering all term 2 history topics	2 prep + 1 exam			

Week	Subjects	Topic	Content / Focus (CAPS)	Hours	Date Completed	Assessment Activity	Comments / Reflections
1	Geography	Settlement and Land Use	Latitude, altitude, distance from sea, ocean currents, mountains (relief)	3			
2	History	Scramble for Africa	Diamonds: increasing British control, labour and land dispossession	3			
3	Geography	Land Use Photos and Maps	How latitude, altitude, distance from sea, currents and mountains affect temperature and rainfall; centres: Cape Town, Durban, Johannesburg, Upington, etc.	2			
4	History	Case Study: Ashanti Kingdom	Witwatersrand discovery, mining methods, Randlords, Chamber of Mines, migrant labour	3			
5	Geography	Settlement Project	Weather vs climate, elements of climate: temperature, humidity, precipitation, winds; climate graphs	2			
6	History	Colonisation Results	Erosion of family life, women in reserves, skilled/unskilled white labour, anti-Indian laws, labour resistance	2			
7	Geography	Urbanisation	Tropical, subtropical, temperate, desert, semi-desert, continental, polar, Mediterranean, tundra, high mountain; mapping and statistics	2			
8	History	European Colonisation Summary	Shifting balance of power, African Political Organisation, SANNC/ANC formation, Satyagraha, Land Act 1913	2			
9	Geography	Settlement Project	Consolidation, informal assessment and apply climate knowledge to the local area	2			
10	History	Scramble for Africa Assessment	Consolidation and formal assessment	2			

Week	Subjects	Topic	Content / Focus (CAPS)	Hours	Date Completed	Assessment Activity	Comments / Reflections
1	Geography	Trade and Transport	Latitude, altitude, distance from sea, ocean currents, mountains (relief)	2			
2	History	WWI Causes	Diamonds: increasing British control, labour and land dispossession	3			
3	Geography	SA Transport	How latitude, altitude, distance from sea, currents and mountains affect temperature and rainfall; centres: Cape Town, Durban, Johannesburg, Upington, etc.	2			
4	History	WWI Experiences	Witwatersrand discovery, mining methods, Randlords, Chamber of Mines, migrant labour	3			
5	Geography	Urban Transport	Weather vs climate, elements of climate: temperature, humidity, precipitation, winds; climate graphs	2			
6	History	WWI Women and Social Change	Erosion of family life, women in reserves, skilled/unskilled white labour, anti-Indian laws, labour resistance	3			
7	Geography	Term Revision/ Assessment	Consolidation, apply knowledge to case studies; final assessment	2			
8	History	Final Assessment/ Exam	Revision and formal assessment	3			

Grade 8 Social Sciences

Term 1 - (11 weeks)

Week	Topic/Focus	Hrs	Date Completed
1	Maps and Atlases – Lat/Long, atlas index, global/local places	3	
2	Industrial Revolution UK – Economy, urbanisation, social changes	3	
3	Map Scales – Line, word, ratio, calculate distances	2	
4	Industrial Revolution UK – Labour, factories, child labour, unions	2	
5	Globe – Hemispheres, rotation, day/night, time zones	2	
6	SA 1860 – Political map, indentured labour	2	
7	Earth's Revolution – Equinox, solstice, seasonal changes	2	
8	Diamond Mining – Kimberley, De Beers, Randlords	2	
9	Satellite Images – Water, vegetation, land use, clouds	2	
10	Industrial Revolution and SA – Review and consolidation	2	
11	Maps and Globes – Term assessment	2	

Week	Topic/Focus	Hrs	Date Completed
1	Maps and Atlases – Lat/Long, atlas index, global/local places	3	
2	Industrial Revolution UK – Economy, urbanisation, social changes	3	
3	Map Scales – Line, word, ratio, calculate distances	2	
4	Industrial Revolution UK – Labour, factories, child labour, unions	2	
5	Globe – Hemispheres, rotation, day/night, time zones	2	
6	SA 1860 – Political map, indentured labour	2	
7	Earth's Revolution – Equinox, solstice, seasonal changes	2	
8	Diamond Mining – Kimberley, De Beers, Randlords	2	
9	Satellite Images – Water, vegetation, land use, clouds	2	

Mid-Year Exams: 15-19 June

Week	Topic/Focus	Hrs	Date Completed
1	Settlement – Urban/rural types, land use zones	2	
2	Scramble for Africa – Causes, Berlin Conference, colonisation patterns	3	
3	Photos and Maps – Aerial photos, identify features	2	
4	Ashanti Case Study – European contact, colonisation, effects	3	
5	Settlement Project – Independent research, land use, interviews	2	
6	Colonisation Results – Social, political, economic impacts	2	
7	Urbanisation – Push/pull, apartheid, housing/services	3	
8	Scramble Review – Assessment, consolidation	2	
9	Settlement Project – Work on project submission	2	
10	Scramble Assessment – Formal assessment	2	

Week	Topic/Focus	Hrs	Date Completed
1	Trade and Transport – Global and SA, transport modes	2	
2	WWI Causes – Long and immediate causes, Allies vs Central Powers	3	
3	SA Transport – Roads, rail, airports, harbours, case study	2	
4	WWI Experiences – Trench warfare, propaganda, SA events	3	
5	Urban Transport – Public/private transport, congestion, solutions	2	
6	WWI Women and Social Change – Workplace roles, suffrage	3	
7	Term Review and Assessment – Consolidation, final assessment	2	

Final Exams: 23 Nov - 11 Dec

Grade 8 Social Sciences

Teacher Note: Assessment Structure

Key Points:

- **Geography and History** are assessed **each term separately**.
- **Tests/Short Tasks: 50 marks** for Term 1 (Maps/Industrial Revolution) and Term 3 (Settlement/Scramble for Africa).
- **Exams/Major Tasks: 70 marks** for Term 2 (Climate/ Mineral Revolution) and Term 4 (Transport and Trade / WWI).
- All assessments must follow CAPS requirements, be recorded, and moderated.

Assessment per Term

Term	Subject	Assessment Type	Total Marks	Notes
Term 1	Geography	Maps and Globes Test	50	Covers maps, atlases, latitude and longitude, map scales, globe, hemispheres, day/night and satellite images.
Term 1	History	Industrial Revolution Test	50	Covers the Industrial Revolution in the UK and Southern Africa (diamond mining, social changes).
Term 2	Geography	Climate and Weather Exam	70	Covers South African and world climate: factors, temperature, rainfall, climate regions, graphs, maps.
Term 2	History	Mineral Revolution Exam	70	Covers diamond and gold mining, labour, land control, Randlords, foundations of segregation.
Term 3	Geography	Settlement Project / Test	50	Independent research: urban/rural settlements, land use, urbanisation, push/pull factors.
Term 3	History	Scramble for Africa Test	50	Causes and results of European colonisation, Berlin Conference, Ashanti case study, social and political impacts.
Term 4	Geography	Transport and Trade Exam	70	Covers trade and transport globally and in South Africa, public and private transport, transport issues.
Term 4	History	World War I Exam	70	Causes of WWI, experiences at war and home, role of women, key events including Delville Wood and Mendi.

Teacher Notes:

1. **Test Marks:** Term 1 and 3 tests = 50 marks each, same for History and Geography.
2. **Exam Marks:** Term 2 and 4 exams = 70 marks each.
3. **Separate Recording:** Keep Geography and History marks separately.
4. **Feedback:** Provide timely feedback after each assessment.
5. **Evidence:** Record all tasks in learner notebooks for moderation and reporting.
